# Mack customers' night out

MACK CUSTOMERS in the southeast region of Melbourne were guests of honour at a special event hosted recently by CMV Truck & Bus.

The Dandenong-based dealership thanked customers for their ongoing support and encouragement, celebrating 12 months since the Mack brand joined forces with the CMV network in southern Australia.

The dedicated trade night packed out Cranbourne Race Track, the popular venue chosen for the occasion.

More than 280 valued customers and staff were invited

to the lively evening offering customers one-on-one interaction with Mack suppliers and company representatives alike.

The group helped raise more than \$3,500 as part of a Variety Auction held during the evening and celebrated the hand over of a stunning Super-Liner to John and

Alan Knowles from Associated Towing.

Anthony Russell, Branch Manager for CMV Truck & Bus — Dandenong, says the event is

***“We have received tremendous support over the past 12***

***months.”***

one of the most important things they have done all year.

“The truck market at the moment is in a very buoyant and demanding position but it was a priority for us to take time out to thank our customers,” he says.

“We have received tremendous support over the past 12 months and we wanted to show our appreciation. We have a very special group of customers and we are proud to support them and their businesses.” ■
