## Ride to honour Amy

**T**ALK about a team bonding exercise.

More than 90 CMV Group staff took part in the inaugural SA Amy's Ride – not a bad effort at all, considering the total number of cyclists was 1850.

**Janica Lewis, Roland Secomb** and **Lauren Townsend**, right, were among CMV Group staff who participated to honour cyclist **Amy Gillett**, who was killed by a motorist in Europe, and promote harmony between all road users.

The trio followed the lead of CMV Group managing director **Paul Crawford**, who rode in the Victorian event last year.
