

# Stunning Superliner

**More than 280 valued customers and staff were invited to the lively evening offering customers one on one interaction with Mack suppliers and company representatives alike**

A dedicated trade night packed out Cranbourne Race Track, the popular venue chosen for the occasion.

The group helped raise more than \$3500 as part of a Variety Auction held during the evening and celebrated the hand over of a stunning Super-Liner to John and Alan

Knowles from Associated Towing. Anthony Russell, Branch Manager for CMV Truck & Bus - Dandenong said that the event was one of the most important things they have done all year.

"The truck market at the moment is in a very buoyant and demanding position but it was a priority for us to take time out to thank our customers. We have received tremendous support over the past 12 months and we wanted to show our appreciation.

We have a very special group of customers and we are proud to support them and their businesses."
